

Testimonials - SCDL Students

Chirag Agarwal – PGDBA (Marketing)

I chose the SCDL PGDBA program to upskill myself for managerial roles while continuing my professional journey. The flexibility of online learning allowed me to balance work and studies seamlessly. The program offered a comprehensive learning experience in management, and being associated with a prestigious institute like [Symbiosis distance learning](#) added great value. My interaction with the program expert was excellent and enriching. The knowledge and insights gained

during the course have certainly set me apart in the workplace and empowered me to confidently pursue career opportunities in management roles.

Kaustubh Bhogaonkar – PGDBA

As a full-time professional at a Big 4 firm, selecting a quality distance learning program was crucial. After thorough research and advice from seniors, [SCDL](#) became my first and only choice. Its strong reputation, professional support, and structured curriculum stood out. The program offered unmatched flexibility—I could study after work, at my own pace, and without disrupting my career. The advanced content significantly enhanced my skills and credibility at work. Management recognized the value of my SCDL qualification, helping me stand out professionally. I highly recommend SCDL for anyone seeking quality distance education.

Pranay Reddy G – PGDBA (Operations)

As a Junior Executive at Airports Authority of India, I chose SCDL's PGDBA in Operations to enhance my managerial skills in a structured, flexible manner. The program's expert design, online proctored exams, and timely study material helped me balance studies with my role. It empowered me to apply

5S, Six Sigma, MIS, and Supply Chain concepts directly at work, improving team leadership and operational efficiency. The degree has made a real difference—I'm now shortlisted for a position at Hamad International Airport. I've recommended SCDL to many peers—it truly transforms careers with practical learning and unmatched flexibility.

Prerna Singh – PGDBA (HR)

I successfully completed my PGDBA in HR from SCDL (2019–2021) and currently work as a Technical Recruiter. The program offered flexibility, a strong exam format, and an extensive curriculum, enabling me to learn at my own pace while balancing work. The online learning and supportive faculty made the experience smooth and enriching. SCDL gave me holistic growth opportunities and helped me earn a globally recognized degree. I'm thankful to the professors for their constant support. I highly recommend SCDL programs—they're affordable, flexible, and perfect for upskilling while continuing your professional journey. I'm so glad I chose SCDL!

Neha Keshan – PGDBA

I chose SCDL after exploring many institutions, and it proved to be the best fit for my needs. SCDL offers all diploma options with facilities similar to a regular university. The PGDBA program enhanced my knowledge, which I apply daily in my professional life. During the lockdown, I could continue learning through online classes and both digital and printed materials. The program built my

confidence and prepared me for workplace challenges. My employer appreciates the credibility of SCDL. I'm truly glad I chose this program—it supported me through every step, from classes to exams and projects.

Mayank - PGDBA

I enrolled in the SCDL PGDBA program to enhance my expertise and gain practical skills relevant to my work. SCDL's flexible learning model, expert e-lectures, and real-time examples in the study material truly stood out. The logistics management project I completed as part of the course has helped me better understand operational tasks at work. The program's structure and resources allowed me to study at my convenience while building job-ready skills. I sincerely appreciate the support and freedom offered by SCDL and gladly give my consent to share my feedback in your collateral. Please do share the final output!

Sudhakar Konatala – PGDBA

Choosing SCDL's PGDBA program was one of the best decisions of my academic journey. The comprehensive curriculum, online accessibility, and continuous support from the SCDL team made it an enriching experience. The program enhanced my decision-making, planning, and leadership skills—qualities that helped me transition from Operations Manager to CEO during my studies. SCDL has inspired me to pursue a PhD and aim higher in my academic career. I'm truly grateful to the entire faculty and staff. I believe SCDL's affordable, quality education can empower learners, especially in rural India, to achieve their career goals.

Rupa Bharti – PGDBA

I chose SCDL because of its affordable fee structure, timely delivery of study material, and overall reliable support system. What truly stood out was the flexibility it offered—I could study from home and appear for exams as per my convenience. The examination pattern was also well-structured. SCDL provides a wide range of specialisations, and I was able to align my studies with my career goals. The program was well-suited to my learning preferences and helped me stay focused on my professional growth. I'm thankful to SCDL for making quality education accessible and manageable.

Aditya Kumar – PGDBA (Operations)

SCDL provided me with the flexibility to pursue higher education while balancing work and family commitments. The PGDBA program's industry-relevant curriculum and recognized accreditation helped me enhance my knowledge and skill set meaningfully. I found the faculty and program experts extremely supportive and responsive, making my learning experience enriching. The program not only improved my problem-solving and operational skills but also instilled adaptability and a global perspective—qualities valued in today's workplace. Overall, the SCDL experience was rewarding and empowering, preparing me with the confidence to grow professionally and take on new challenges in the business world.

Srikar Chatterjee – PGDBA (Finance)

Driven by my deep interest in finance, I chose the PGDBA program at SCDL to gain a deeper understanding of the subject. SCDL's strong reputation, student-first approach—even during the pandemic—and flexible structure made learning seamless and enriching. The program enhanced my financial knowledge and equipped me to confidently articulate key concepts. While I pursued this course out of pure passion, the practical insights I gained continue to benefit me in my current role. I'm grateful to SCDL for offering a program that balanced academic rigor with flexibility and truly nurtured my intellectual curiosity.

Arpit Anand – PGDBA (Data Science)

I chose SCDL for its flexible, industry-relevant curriculum that allowed me to balance work while upskilling in data science. The program expert's mentorship and practical insights helped me understand real-world applications and build a strong foundation. SCDL's hands-on projects, collaborative learning, and updated content gave me a competitive edge in translating complex data into actionable insights. The experience also enhanced my problem-solving, analytical, and communication skills—making me a more valuable contributor at work. The support system, peer network, and accessible resources made this journey enriching and impactful. I'm truly grateful to SCDL for this transformative experience.
